Blue Grass Farms is a wholesale nursery selling to the **NURSERY TRADE ONLY**. As such we do not conduct business with the general public. You are in the nursery trade if you are in the business as a Landscape Designer, Landscape Architect, Landscape Contractor, Greenhouse, Professional Gardener, Retail Nursery, Wholesale Nursery, Plant Broker, Lawn Maintenance or you work for the Planning Commission or Grounds Maintenance Department of a local, state, federal, or private institution. A Nursery Dealer's License issued by the state your business is located in is required. **Blue Grass Farms reserves the right to determine the "wholesale status" of companies wishing to purchase plant material and to decline doing business with those whom we conclude do not merit a wholesale nursery stock account.**

No returns after material is picked up or accepted at time of delivery. No warranty is given or implied.
